Apply leadership concepts in a work concept

Soar! Aligned to USID 242824 | Credits 12 | NQF Level 4

Duration: 4 days

Supervisory training is a valuable tool to help people master the basics of management.

Soar! takes the development of first line leaders a few steps further by focusing on the internal and value shifts required to achieve results through others.

Accreditation

Aligned to the unit standard: **Apply leadership concepts in a work context** (ID 242824, Level 4, 12 Credits). Registered as USID 13953- Apply the principles of situational leadership to a business unit (Employee engagement training)

SOAR! Helps team leaders and supervisors to:

- ▶ Grow in confidence, competence and commitment
- ▶ Empower themselves with the knowledge, skills and mindset to work effectively
- ▶ Increase their personal commitment to the organisation and its goals and inspires them to approach their role with pride and enthusiasm

More about SOAR!...

Soar! enables the first line leader to be more successful in their role and derive greater meaning from their work. It also nurtures leadership talent and prepares people for the next leadership level. It can therefore be a valuable tool in helping organisations nurture and grow their leadership talent.

Target Group

Team leaders, Supervisors and Junior managers. Different versions for different job levels.

Sustainability and Application

Changing behaviour is a process, not a once off occurrence. Our learning approach is therefore staggered and blended, combining face to face training with 180 degrees feedback, practical assignments, interactive coaching circles, buddy coaching and management support. This approach ensures sustainable transfer of learning back into the workplace.
